### Dear readers

As we enter the year 2026, the Editorial Board of the Journal of Dental Materials and Techniques extends its sincere greetings and best wishes to the readers, authors, and reviewers of the journal.

We are pleased to announce that the Journal of Dental Materials and Techniques (J Dent Mater Tech) has been successfully indexed in the Web of Science (Clarivate) database.

This remarkable achievement reflects the continuous efforts and dedication of our editorial board and reviewers, as well as the valuable contributions of researchers who have trusted our journal as a platform to share their scientific findings.

Indexing in the Web of Science represents a significant milestone in our journey toward academic excellence and international visibility. As a result, articles published in J Dent Mater Tech are now accessible and citable through the Web of Science platform.

We extend our sincere appreciation to all authors, reviewers, and contributors, and we warmly invite scholars and researchers worldwide to submit their high-quality manuscripts to our journal and join us in advancing the field of dental materials science.

Sincerely  
Farzaneh Ahrari
